

PANEL REPLACEMENT PACKAGE GUARANTEES

OUR CLIENT CARE GUARANTEE

Our electricians are some of the best in skill, attitude, and workmanship, and while they are in your home, your property will be protected from damage. Our electricians will not swear or use tobacco products while on your property. They will courteously answer any questions and leave your home as neat as they found it. They will wear protective shoe covers and place floor protection on all work areas. If they fail to do any of the above, we will give you an additional 10% off.

TOTAL NO-LEMON GUARANTEE

Compare our No-Lemon Guarantee with any other and you'll find a major difference with our generous warranty coverage. If your panel replacement package gives you any trouble within ten (10) years of installation, you will not pay for any equipment failure related service calls. That's a total worry-free system performance for the next ten (10) years!

MANUFACTURER'S LIMITED LIFETIME WARRANTY

You can rest assured that you have the best equipment available today. Your residential panel, service, and breakers are guaranteed to be free from failure due to defects in material for the life of the product.

DELIVERY-DATE GUARANTEE

Your time is valuable and it's important to get your home's electrical system up and running as quickly as possible. We guarantee that your electrical panel and service-replacement project will be completed on or before the date we have promised or you will receive a 10% discount off of your entire job, barring anything out of our control or Acts of God.

CODE & SAFETY GUARANTEE

We guarantee that all equipment and materials used will be as specified to meet code. All required permits will be pulled and required inspections completed.
